

Ujjivan Small Finance Bank

Comprehensive Deposit Policy

PREAMBLE

Ujjivan Small Finance Bank (hereinafter referred to as “the Bank”), in furtherance of the objectives for which it is set up, shall inter alia undertake basic Banking activities of acceptance of deposits other than lending activities to the underserved section of the society.

One of the important functions of the Small Finance Bank is to accept deposits from the underserved sections of the society for the purpose of lending. In fact, such depositors are the major stakeholders of our Banking System. The depositors and their interests form the key area of the regulatory framework for banking in India and this has been enshrined in the Banking Regulation Act, 1949. The Reserve Bank of India is empowered to issue directives / advices on interest rates on deposits and other aspects regarding conduct of deposit accounts from time to time. With liberalization in the financial system and deregulation of interest rates, banks are now free to formulate deposit products within the broad guidelines issued by RBI.

This policy document on deposits outlines the guiding principles in respect of formulation of various deposit products offered by the Bank and terms and conditions governing the conduct of the account. The document recognizes the rights of depositors and aims at dissemination of information with regard to various aspects of acceptance of deposits from the members of the public, conduct and operations of various deposits accounts, payment of interest on various deposit accounts, closure of deposit accounts, method of disposal of deposits of deceased depositors, etc., for the benefit of customers. It is expected that this document will impart greater transparency in dealing with the individual customers and create awareness among customers of their rights. The ultimate objective is that the customer will get services they are rightfully entitled to receive without demand.

This document is a broad framework under which the rights of common depositors are recognized. Detailed operational instructions on various deposit schemes and related services will be issued from time to time. While adopting this policy the Bank re-iterates its commitments to the individual customers as outlined in the Code of Bank’s Commitment to Customers and Customer Service Policy.
